Recent history ;

Client has a history of reoccurring homelessness, unemployment, substance and alcohol abuse, financial instabilities. Struggles with anxiety, depression, extreme poverty, an adjustment disorder.

Social Support Changes:

No changes in her family or social support network have occurred.

Therapeutic intervention ;

Client was reminded, after being seen with a puppy, that animals were not allowed at the shelter, and she would have to find somewhere else for it to be. Client was defiant to start, arguing with staff on how the animal was an emotional support animal, but when asked for paperwork to prove this, client was unable to provide. Staff reiterated that the rules were set, and to stay, she would have to follow them. Client left shortly after, and had not returned that night.

Assessment ;
